

Teaching with a relational perspective

Ilana Reisz, Hena Karim, Michele Caillouet, Michael Krumholz, Elizabeth Strelow, William Von Reichbaur, Kalina Hieshima, Nelliana Acuna , Rachel Hartman, Rebecca Lindenbaum, Richard De La Cuadra

Showcasing daily life of middle and high school teachers in a school committed to relational practices.

Teachers will host varied experiences including storytelling and conversations about their experiences and reflections as relational educators. Engage workshop participants in stories and conversations about the relational practice with school children, illustrating the challenges and benefits of the process .

Workshop presented in English, translation may be provided by bilingual teachers.

Unlimited participants (plan to use breakout groups).
